## Managing a cardiology practice

in a changing health care and economic environment can be challenging.

That's why it's beneficial to have a partner that can help you stay up-to-date with key developments on issues in the field and succeed at the interface of practice management and quality improvement. Partner with an organization that unites all members of the cardiovascular team around one common goal: to improve the quality of cardiovascular care.

Administrators in the CV Service Line and in the practice setting are invited to apply.

**Join us in our mission to transform cardiovascular care and improve heart health.**

Applications are accepted on a rolling basis.

# One Membership. Many Benefits.

## What Does Your Membership Unlock?

The ACC is your professional home for tools and resources that support you in your efforts to provide high quality cardiovascular care to patients worldwide.

### As a member you can:

#### Optimize Your Practice

Access ACC.org for an array of CV Management tools such as **60+ webinars** on practice changes, practice improvement modules, **quality improvement initiatives**, health IT tools, the PINNACLE Registry™ and more.

#### Access Guidelines

Access Guidelines, **Appropriate Use Criteria** and Consensus Documents, both online at ACC.org and through the **Guidelines App**.

#### Keep Your Entire Practice Informed

Use ACC's **CardioSource Plus**, a facility-wide subscription, to access virtually all of ACC's online educational resources. Access board prep activities, self-assessment questions, hundreds of hours of CME credit, heart songs, highlights for ACC's Annual Scientific Session and more!

#### Gain an Advocate for Your Interests

With the power of a collective voice, the **ACC advocates on your behalf of your interests**, to regulatory and certification bodies, to payers and to policymakers at the federal and state levels.

#### Receive Up-to-Date Advocacy News

Stay current on important advocacy, reimbursement and policy issues and coding updates with free online and email resources. Members will receive a **bi-monthly e-newsletter** focused on practice management and **regular e-alerts** on how to evolve with the latest policy changes.

#### Stay Informed

Read about the latest clinical developments in **FIVE Journals of the American College of Cardiology**—also available on iPad—including *JACC*, *JACC: Imaging*, *JACC: Interventions*, *JACC: Heart Failure* and *JACC: Clinical Electrophysiology*.

#### Advance Your Career

Access tools and resources to advance your career and save you time and money on staff recruitment with the ACC Cardiology Careers website, loaded with thousands of jobs for cardiovascular professionals.

#### Advance Your Specialty

Network and advance the priorities of your specialty and/or interest areas in one of over **16 Member Sections**, which serve as communities for driving strategy and initiative development for communities within the College. Join the ACC's Section **focused on Cardiovascular Management** and influence College and national issues related to the management and operation of CV enterprise.

#### Build Your Professional Network

Connect and collaborate with **nearly 50,000 cardiovascular professionals** worldwide. Network and learn at the local level with one of ACC's over **80 local Chapters**. And **gain leadership experience and recognition** by participation on Councils, Committees and Work Groups

#### Access Mobile Applications

Get support to treat patients and manage patients on-the-go with mobile applications, including the NEW Guidelines App, ASCVD Risk Estimator, CardioSmart Explorer and AnticoagEvaluator.
