

# CV TEAM SECTION LEADERSHIP COUNCIL

## MISSION

The CV Team Section Leadership Council seeks to transform cardiovascular care and improve heart health by fostering, encouraging and facilitating a team-based care approach to cardiovascular care. The Council advocates for the active and strategic engagement of CV Team professionals across the ACC.

## VISION

The CV Team Section will dramatically reduce the incidence, severity and complications of CV disease, as well as promote prevention, reduce health disparities and improve personal and population-based CV health, through the advancement of team-based care.

ACC Is Your Professional Home.

# CV TEAM STRATEGIC PLAN

The CV Team Strategic Plan was developed to ensure the **meaningful inclusion, involvement and recognition of the value** of the CV multidisciplinary care team to the ACC.

It includes **input from CV Team members across the College**—including CV Team Section leaders—and aligns with the goals of the **2019 – 2023 ACC Strategic Plan**.

## GOAL 1

Increase the relevance as the CV professional home through the meaningful engagement of the multidisciplinary CV Team.

## GOAL 2

Generate and deliver actionable knowledge that supports CV Team member practice.

## GOAL 3

Advance quality, equity and value of CV care for the entire multidisciplinary CV Care Team.

## GOAL 4

Ensure **organizational growth** and sustainability for the entire CV Team.
