

ACC.22 Virtual brings you access to 80+ live education sessions across 6 channels. Your 3-day experience will stream live from Washington, DC starting Saturday, April 2 at 8:30 a.m. ET through Monday, April 4 at 6 p.m. ET, with access available until April 10, 2022.

### SATURDAY, APRIL 2

| CHANNEL                             | 8:30 – 10:30 a.m.   |                                      | 10:30 a.m. – Noon | Noon – 1:15 p.m.  | 1:15 – 1:45 p.m. | 1:45 – 3 p.m.  | 3 – 4:15 p.m. | 4:15 – 5:30 p.m.  | 5:30 – 6 p.m. | 6:00 – 7:30 p.m.  |
|-------------------------------------|---|--------------------------------------|-------------------|---|------------------|--|---------------|---|---------------|---|
| <b>HOT TOPICS</b>                   | 401. ACC.22 Opening Showcase  | 402. Late-Breaking Clinical Trials I |                   | 403. Featured Clinical Research I   |                  | 634. Adventure Across the Lifespan – Dyslipidemia Management For the 21st Century: Joint Symposium of the National Lipids Association and the American College of Cardiology |               | 655. Controversies in Valvular Heart Disease – A Case-Based Approach: Joint Symposium of the American Association For Thoracic Surgery and the American College of Cardiology |               | 1601. Clinical Spotlight Series Modern Lipid Management: The Updated Medicine Cabinet |
| <b>GUIDELINES</b>                   | 601. Arrhythmias in Cancer Patients: The Why, the How and the What To Do        |                                      |                   | 804. Core Knowledge in Action: What Are the Current Recommendations For Risk Stratification of Non-cardiac Surgery Patients?  |                  | 637. Cases From the Guidelines For Clinicians  |               | 644. Antithrombotic Management in Patients With Atrial Fibrillation Undergoing PCI  |               |   |
| <b>INTERDISCIPLINARY EDUCATION</b>  | 607. Innovations in Cardiac Rehab and Lifestyle Interventions                   |                                      |                   | 51. Lifestyle Medicine Intensive Session I: Moving Beyond Theory to Practice Featuring the 53rd Annual Louis F. Bishop Keynote  |                  | 52. Lifestyle Medicine Intensive Session II: Moving Beyond Theory to Practice  |               | 652. Cardio-ObsteTRICKS = How Should a Pregnancy History Guide Promotion of CV Health   |               |   |
| <b>GLOBAL CARDIOVASCULAR HEALTH</b> | 401. ACC.22 Opening Showcase  | 402. Late-Breaking Clinical Trials I |                   | 623. Mi TAVI Es Su TAVI? TAVI Around the World – A “Global Health Spoken Here” Session  |                  | 633. Around the World For Pediatric and Congenital Heart Disease Care: What We Can Learn From Each Other – A “Global Health Spoken Here” Session                             |               | 647. Advancing Systems of Care For ST-Elevation Myocardial Infarction – A “Global Health Spoken Here” Session   |               |   |
| <b>CLINICAL CONUNDRUMS</b>          | 605. Turning Up Telehealth: Opportunities For Growth in Today’s Telehealth Care |                                      |                   | 611. Hemodynamics 201: A Case-Based Approach to Heart Failure, Pulmonary Hypertension, and Mechanical Circulatory Support   |                  | 631. Challenges in STEMI Management in 2022  |               | 650. The Thick Heart, Role of Echocardiography: Joint Symposium of the American Society For Echocardiography and the American College of Cardiology                           |               |   |
| <b>EVOLVING KNOWLEDGE</b>           | 603. Cardiac Interventions and Pregnancy  |                                      |                   | 609. New Technology or Better Organization? Optimizing Arrhythmia Care in Individual Patients: Joint Symposium of the Heart Rhythm Society and the American College of Cardiology |                  | 640. Contemporary PAD Treatment: A Simplified Approach to a Complex Problem  |               | 653. The Right Ventricle in Crisis: Pre-operative Evaluation and Management of the Critically Ill Patient With Pulmonary Arterial Hypertension                                |               | 1602. Clinical Spotlight Series Rapid Fire Afib: The Latest in Management Strategies  |

### SUNDAY, APRIL 3

| CHANNEL                             | 8 - 9:15 a.m.  | 9:15 - 9:45 a.m. | 9:45 - 11 a.m.  | 11 - 12:15 p.m. | 12:15 - 1:30 p.m.  | 1:30 - 2 p.m. | 2 - 3:15 p.m.  | 3:15 - 4:30 p.m. | 4:30 - 5:45 p.m.  | 5:45 - 6 p.m. | 6 - 7:30 p.m.   |
|-------------------------------------|--|------------------|---|-----------------|--|---------------|--|------------------|---|---------------|---|
| <b>HOT TOPICS</b>                   | 405. Late-Breaking Clinical Trials II  |                  | 406. Late-Breaking Clinical Trials III  |                 | 407. Featured Clinical Research Session II   |               | 408. Late-Breaking Clinical Trials Deep Dive I   |                  | 725. Renaissance in Hypertension Control: Is 130 Finally the New 140? Joint Symposium of the American Heart Association and the American College of Cardiology      |               | 1603. Clinical Spotlight Series SGLT2 Inhibitors: The New Pillar in HF Care |
| <b>GUIDELINES</b>                   | 665. Diagnosing Valvular Heart Disease: Throw Away Your Stethoscope!   |                  | 677. Triglyceride-Rich Lipoproteins: Mediator or Marker of Risk?  |                 | 694. Pulmonary Hypertension 101: A PH Primer For the General Cardiologist  |               | 710. International Perspectives I: Seismic Changes in Novel Therapies For CVD Management and Risk Reduction – Joint Symposium of the European Society of Cardiology and the American College of Cardiology |                  | 721. Contemporary Clinical Topics in Cardiovascular CT: Joint Symposium of the Society of Cardiovascular Computed Tomography and the American College of Cardiology |               |   |
| <b>INTERDISCIPLINARY EDUCATION</b>  | 102. Pharmacology Session I Anticoagulation and Device Management Strategies in Mechanical Circulatory Support |                  | 104. Pharmacology Session II No Longer Failing to Treat Heart Failure: Optimizing Therapy With Newer Pharmacologic Agents |                 | 692. Cardiac ICU: Team-based Approach to Complex Patients  |               | 712. Procedural Planning For Valvular Heart Disease: A Focus on Mitral and Tricuspid Valves – the Before and After   |                  | 727. Vascular Medicine Consult: An Expert's Approach  |               |   |
| <b>GLOBAL CARDIOVASCULAR HEALTH</b> | 658. Invasive Coronary Physiology in Acute Coronary Syndromes – A “Global Health Spoken Here” Session          |                  | 659. Current Approaches to Antiplatelet Therapy For PCI in ACS & SIHD   |                 | 684. Complex Decision Making in Mitral Valve Disease: Joint Symposium of the Society of Thoracic Surgeons and the American College of Cardiology |               | 705.
