PROGRAM AT-A-GLANCE

WELCOME

#ACC24

Welcome to ACC.24! We're so glad you could join us in Atlanta for this celebration of the cardiovascular community and the American College of Cardiology. This Program At-A-Glance, along with the **ACC.24 App** (search **ACC.24** in your app store), includes everything you need to create your ultimate **ACC.24 Experience**.

Use the **ACC.24 App** to navigate the meeting with ease and get instant access to sessions, exhibitors, maps and more – all from your mobile device! With the app you can:

Browse sessions and build your perfect itinerary

Stream sessions, download session slides, or connect to the poster theater audio

Ask the experts your burning questions or participate in polls with the integrated Audience Response System (select the ARS icon)

Join in the fun with the Where's Artie Scavenger Hunt

Connect with other attendees using PeerFinder

And after it's all over, seamlessly claim your credit and MOC points

To get started, search **ACC.24** in your app store or browse to <https://bit.ly/acc24app> from your device (available for Apple® and Android® devices).

The information in the Program At-A-Glance is current as of Feb 26, 2024. For the most up to date information, please download the ACC.24 App by searching ACC.24 in your app store.

PARTICIPATE IN THE FUN AT ACC.24

Take part in fun and friendly competitions with your peers and work your way up the leaderboard for a chance to win prizes in the **Where's Artie Scavenger Hunt** and the **CardioSmart Wellness Challenge!**

Where's Artie Scavenger Hunt

Use the ACC.24 App (search ACC.24 in your app store) to find #WheresArtie at ACC.24! Select the Where's Artie icon in the app to find Artie's location. When you find him in various sessions or locations throughout ACC.24, scan the QR code to collect points. The top 3 winners will receive complimentary registration to ACC.25 in Chicago and the next 25 winners will receive a free ACC travel mug.

CardioSmart Wellness Challenge

Track your steps using your Fitbit, Apple Watch, Garmin or step tracker on your mobile device. Stop by the check-in desk on the Level 4 Concourse, Building B or visit hekahealth.com/acc24 to learn more, sign up and check out the leaderboard. Work your way up the leaderboard to win prizes. The Wellness Challenge starts on Saturday, April 6 at noon and ends Monday, April 8 at noon.

CHILD CARE

Room B316

KiddieCorp is providing care for children 6 months through 12 years old to allow ACC.24 attendees to have a comfortable, safe and happy place for their children, located in the Georgia World Congress Center, while they attend sessions. Children must be registered in advance.

MOTHER'S ROOM

Room B318/B319

The Mother's Room provides a private, comfortable area for nursing mothers to pump or breast feed. Each lactation room is equipped with comfortable furniture, power outlets and sanitation products. Lockers are available for safe storage, but we ask that you bring your own lock. A refrigerator is available in the Childcare Center (Room B316) for your convenience.

RESTAURANTS

There are several food and beverage options within Georgia World Congress Center, including:

- **Food Courts:** Look for concession areas in the Expo (Halls B3 - B5), including the ACC Café (rear of Hall B4), as well as various smaller concession options throughout the Georgia World Congress Center. Social Table is located in the main lobby of Building B on level 4.
- **Other Options:** Additional dining and snacking choices will be available throughout Convention Center.
- **Restaurant Reservations:** Stop by the Restaurant Reservations Desk in the Building B, Level 4 Lobby, daily from 9 a.m. - 5 p.m., for assistance with making restaurant reservations.

SMOKING

The American College of Cardiology promotes a "No Smoking" policy. The use of tobacco products is strictly prohibited in the Georgia World Congress Center and all hotel meeting rooms hosting ACC.24 events. Thank you for your compliance.

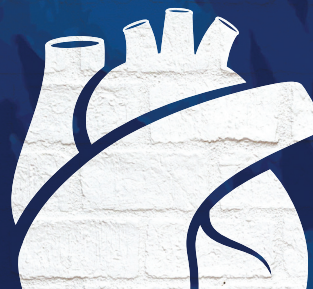

The American College of Cardiology appreciates the generous support for the Annual Scientific Session Pathways.

PERSONALIZED SKILLS & SIMULATION CENTER

Put your knowledge into action with a variety of immersive, hands-on learning opportunities where you can practice both procedural as well as decision-making skills in a self-directed and self-paced environment.

Saturday, April 6	9 a.m. - Noon and 2 - 4:30 p.m.
Sunday, April 7	9 a.m. - Noon and 2 - 4:30 p.m.
Monday, April 8	9 a.m. - Noon

The Center includes:

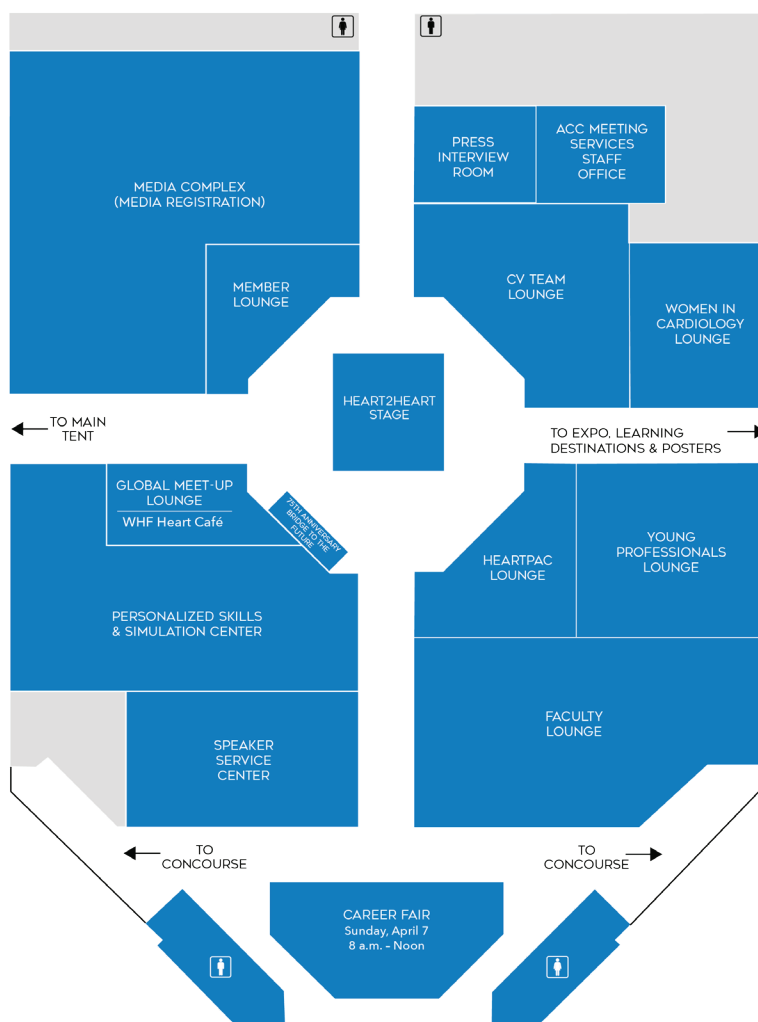

- **Learn by Doing: Immersive Simulation Experiences in Critical Care Medicine, Hypertrophic Cardiomyopathy, Hypertension Management, Left Appendage Closure, and Arrhythmia Detection and Management:** Choose from 15 hands-on simulation stations, including a 7-station CICU with POCUS, PAC, MCS, and pericardiocentesis, an EP Lab offering implantable cardiac monitoring and temporary pacing practice, and HCM stations presenting diagnosis and treatment challenges alongside real-time use of CPET.

- **Cath Lab Conundrum: A Team-based Escape Room Challenge:** Step into a captivating escape room and join forces to unravel a critical event in the Cath Lab, where you'll diagnose and treat a simulated patient. Filled with clues, puzzles, and riddles directly linked to the patient's condition and medical history, this scenario-driven escape room offers an exciting learning journey that boosts teamwork and sharpens essential skills crucial for success in providing high-quality TAVR care!
- **Lonely Nights in the CICU: The Key Troubleshooting Skills Required:** It seems the call always happens at 2am! Join our seasoned critical care experts in this case-based learning session, where they dissect the essential troubleshooting skills needed during those late-night shifts in the CICU. Explore the intricacies of Point-of-Care Ultrasound (POCUS), unravel the ABCs of Pulmonary Survival for the Pulmonary Artery Catheter (PAC), and navigate through Mechanical Circulatory Support and pericardiocentesis scenarios.
- **Demystifying HCM: An Exploration of Diagnosis and Treatment Using Case-based Learning:** Engage in real-time case discussions, where you can pose questions to both the "patient" and the experts, interpret diagnostic studies with expert guidance, and collaboratively develop a treatment plan. Bring your questions and join us at the Personalized Skills & Simulation Center stage for an illuminating exploration of HCM.
- **CPET Beyond Heart Failure: A Critical Tool for HCM:** Join us for a comprehensive exploration of Cardiopulmonary Exercise Testing (CPET), its core principles and diverse applications beyond heart failure. Gain practical knowledge in deciphering CPET data and learn from real-life, real-time case studies to enhance your clinical decision-making.

- Contemporary Approaches to Arrhythmia Diagnosis in a Smart Device World:** Explore front-line applications of medical and consumer-grade monitoring devices in arrhythmia-risk patients! Join us for a dynamic session featuring case-based learning with a live standardized patient reviewing pivotal topics such as consumer device rhythm detection accuracy, integration of device data

with health records, and determining arrhythmia thresholds for potential oral anticoagulation. Uncover insights on post-stroke patient monitoring, drawing from the latest studies and the 2023 Atrial Fibrillation Guidelines.

For additional sessions and detailed schedule information, search the program in the **ACC.24 App** and select session type **Hands-on Skills Learning**.

Complete your educational experience at the ACC.24 Expo where 280+ companies and organizations are showcasing the latest advances in pharmaceuticals, imaging, devices, health IT and the services you need to provide high-quality care to your patients.

Take a break in the **Relax & Recharge Lounge** (Booth #1601) for an opportunity to unwind with some puppy love while recharging your mobile device. Measure the level of lipoprotein(a) in your blood at the **Lp(a) and Non-Fasting Lipid Screening** (Booth #21) or update your professional portrait at the **Portrait Studio** (Booth #1). Plus, stop by **ACC Central** (Booth #2731) to discover how ACC is helping you transform cardiovascular care for all and purchase your new ACC apparel.

Saturday, April 6	9 a.m. - 4:45 p.m.
Sunday, April 7	9 a.m. - 4:45 p.m.
Monday, April 8	9 a.m. - 2 p.m.

LEARNING DESTINATIONS

Learning Destinations are diverse, non-certified, educationally focused areas of the ACC.24 Expo that offer new and creative ways to expand your educational experience. The **Industry-Expert Theater 1, 2 and 3**, **Innovation Stage**, and two **Interactive Learning Labs** offer new and creative ways to learn from our industry partners. Plus, don't miss the **Future Hub**, focused on the latest innovations in digital health, medical devices, and big data, and the **Health Equity Hub**, aimed at amplifying the topic of health equity and engaging stakeholders across the field of cardiology. Search the ACC.24 App for non-certified sessions hosted by our industry partners.

In addition to the regular programs, there are many meetings and events taking place throughout ACC.24 in and around the Georgia World Congress Center. For a full list of sessions happening in individual lounges in the Lounge & Learn Pavilion, search the program in the ACC.24 App and filter by session type **Events and Meetings**.
