

ACC Latin America
Conference 2017

MEXICO CITY
JUNE 22 - 24, 2017

GLOBAL EXPERTS, LOCAL LEARNING

ACC Latin America
Conference 2017

Learning to lead:

An editor, a president and a researcher tell their stories

Hector I. Michelena, MD, FACC, FASE
Professor of Medicine
Director, Intra-operative Echocardiography
Michelena.hector@mayo.edu

- **What were the critical moments and/or critical decisions or moves that you made (2 or 3) that propelled you and positioned you where you wanted?**
- **What is your definition of success in your career? what should it be?**
- **How does one get into a position of leadership? How does one influence health care policy?**
- **What are the 2 or 3 personality qualities that you think have led you to where you are?**
- **What are the 2 or 3 personality characteristics that have made your journeys difficult?**
- **How do you re-new your energy? Your commitment? Have you been burnt out? what did you about it?**
- **How does a non-U.S. cardiologist achieve these high ideals and roles (researcher, educator, leader) in less privileged environments?**

The devil whispered in my ear,
"you're not strong enough to
withstand the storm."

Today I whispered in the devils ear,
"I am the storm."
