

Advanced Heart Failure and Transplant Cardiology

Clinical Competency Committee

The Clinical Competency Committees (see below) will review and use assessment data, including faculty member assessments of fellows on rotations, self-evaluations, peer evaluations, and evaluations by nurses and patients. The CCC of Advanced Heart Failure and Transplant Cardiology Fellowship will meet semi-annually. At a minimum the CCC must be comprised of three key members of the program faculty. Others eligible for appointment to the committee can include faculty from other programs and non-physician members of the health care team from the Advanced Heart Failure and Transplant Cardiology Fellowship.

The Program Director is responsible for appointing faculty to the CCC.

The CCC is composed of the following members:

The Clinical Competency Committee will:

1. Review all resident evaluations semi-annually;
2. Prepare and assure the reporting of Milestones evaluations of each resident semi-annually to ACGME, and;
3. Advise the program director regarding resident progress, including promotion, remediation, and dismissal.

The Clinical Competency Committee will annually review their program-specific requirements to ensure compliance with all aspects of CCC duties, responsibilities and reporting to the ACGME. Recommendations will be made to the Program Evaluation Committee.

Effective: 7/1/2014
