- ◉ Progress
- ◉ How Can You Help
- ◉ Next Steps

What is the CDTF

Raise your hand if you have you
heard of the CDTF

What is the CDTF

- ◉ What does the CDTF stand for?
 - Coordinator Description Task Force
- ◉ What is the CDTF
 - The CDTF is a Task Force put together by passionate GME/Program Coordinators nationwide to improve the language of the Common Program Requirements to reflect the progressing changes within the graduate medical education world.

Why?

◉ Frustration

- *Recognition*
- *Respect*
- *Salary*

◉ Why is it like this?

- *misunderstand / misrepresented*

◉ How can we fix this?

- *Encourage understanding of the role*
- *This starts with updating CPR language*

Why?

○ Current language In both Common and Cardiology Program Requirements

II.C) Other Program Personnel:

- The institution and the program must jointly ensure the availability of all necessary professional, technical, and clerical personnel for the effective administration of the program. ^(Core)
- 6 specialty requirements further define - varied
- Outdated
- Open ended

Goals

◉ Goals of the CDTF

- Review the current ACGME language
- Develop more appropriate language
- Obtain support from coordinators nationwide of proposed language
- Present suggestions / findings to ACGME for consideration

Members

◎Members

- 141 ListServ
- 170 LinkedIn Group
- 22 of 27 RRC specialties

Progress

◎ 2014-2015

- TF Start up
 - Compiling members
 - Organizing
 - LinkedIn Group / ListServ
- Data Collection
 - CPR / SPR Language
