 - How many are the exposed to during interviews?
 - How else do your faculty get involved?
 - If you feed them they will come

The interview (s)

- One on one or small group?
- The interview questions
- The overall experience in the “holding area”

THE MATCH[®]

NATIONAL RESIDENT MATCHING PROGRAM[®]

VTC Virginia Tech Carilion
School of Medicine and Research Institute

CARILION CLINIC

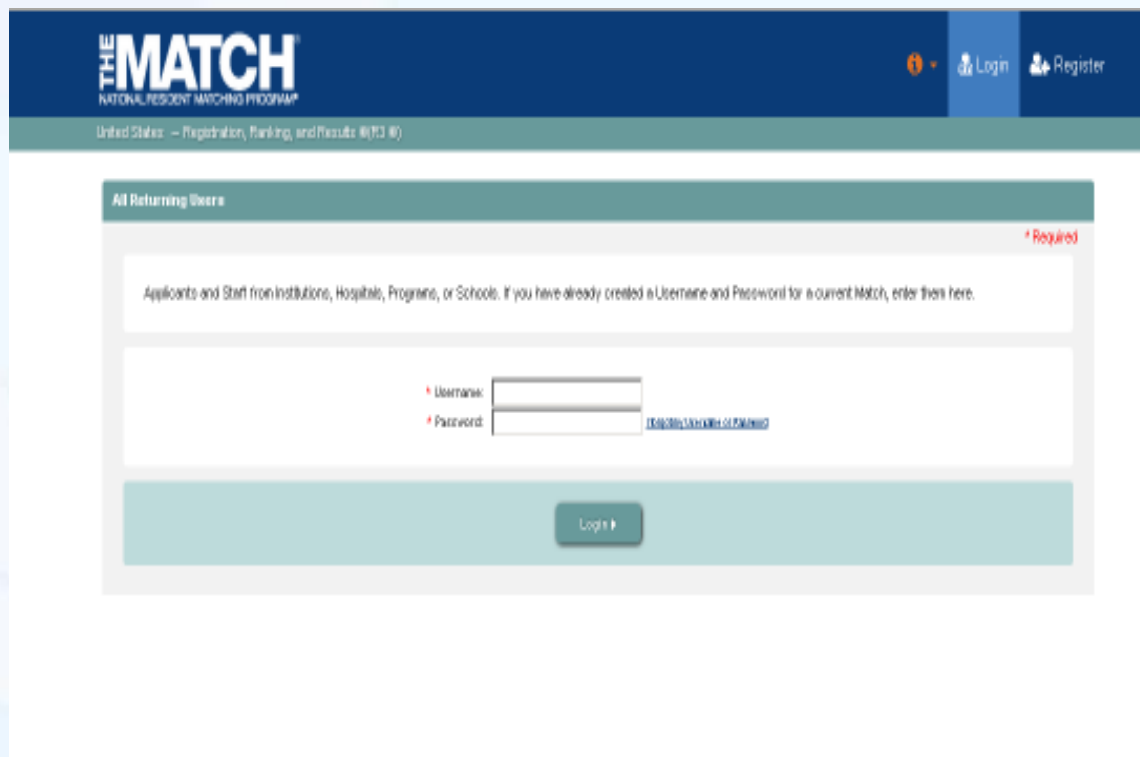

Key points about The MATCH

- Applicant preference driven process
- Applicant and Program must rank each other in order to match
- Match is a binding commitment
- 2 Helpful NRMP produced videos for more information
 - [How the NRMP Patching Algorithm Works](#)
 - [Institution and Program Match Process](#)

R3® System

- Program changes must be made by the Program Director only.
- Program Coordinator functionality does not allow you to certify ROLs.
- Don't forget to check applicants previous match history!

The screenshot displays the 'All Returning Users' login page for THE MATCH National Resident Matching Program. The page header includes the logo and navigation links for 'Login' and 'Register'. Below the header, there is a text box for returning users with a 'Required' asterisk. The text reads: 'Applicants and Staff from Institutions, Hospitals, Programs, or Schools. If you have already created a Username and Password for a current Match, enter them here.' Below this text are two input fields: 'Username' and 'Password', both with red asterisks indicating they are required. A 'Login' button is positioned at the bottom of the form area.
