

# Biofourmis Care

## Settings

You can access the settings by clicking the "Settings" icon located on the footer menu. Use the "Settings" screen to change the language, change the unit of measurement for weight, review the Privacy policy, review Terms and Conditions, and log out of the app. See below for more information.

### The Settings Screen

#### Change language

You can change the language presented in the app by following these steps:

1. On the "Settings" screen, tap "Language".
2. Select the language and tap "Save".
3. A green confirmation check appears and you are brought back to the home screen.

#### Change units of measurement

1. On the "Settings" screen, tap "Units of measurement".
2. Select "Weight".
3. Tap the preferred unit of measurement (kg or lb.)
4. Tap "Done".
5. A green confirmation check appears and you are returned to the home screen.

#### View Privacy policy

1. On the "Settings" screen, tap "Privacy policy".
2. Scroll to review the "Privacy policy" in full.

#### View Terms and conditions

1. On the "Settings" screen, tap "Terms and conditions".
2. Scroll to review the "Terms and conditions" in full.
