Navigating the Home Screen

Once a study participant is enrolled, you can begin to monitor them on the web dashboard. See below for information about navigating the home screen.

Home Screen Vitals View

The "Vitals View" displays the most recent vitals for the study participants on the "Patients list" page. Any active vital sign alert will display in the column next to the vital sign value that triggered the alert and will be indicated with a red alert icon.

Read the callouts below:

The screenshot shows the 'Patient List' page in 'Vitals View'. Callout 1 points to the Biofourmis logo in the top left. Callout 2 points to the '+ Create new patient' button in the top right. Callout 3 points to a notification bell icon in the top right. Callout 4 points to a patient's name, 'Agustin Kiback', in the list. The table below represents the data shown in the screenshot.
