Registration

AN INVITATION TO OUR COLLEAGUES

Dear Colleague,

On behalf of the whole committee, we invite you to join our outstanding faculty for the **5th Annual Midwest American College of Cardiology Women in Cardiology (ACCWIC) Symposium on June 25, 2022 in Chicago, IL**. The Illinois Chapter of the ACC is hosting this year's symposium. This symposium aims to share knowledge and best practices with all clinicians who care for female patients to improve the overall cardiovascular health of women. You will have the opportunity to attend in person or virtually live the day of the symposium.

Our keynote speaker is the Immediate Past ACC President, Dr. Dipti Itchhaporia, followed by an interview by several female governors of the Midwest Chapters about her journey to her presidency. The morning program will address various common cardiovascular diseases, focusing on sex differences. The afternoon program is packed with panel discussions and breakout sessions to help cardiovascular clinicians and scientists navigate their careers.

More importantly, this symposium will continue the forum for networking that the ACCWIC established. This meeting is an opportunity to learn with your colleagues for great professional development.

We would like to strongly encourage female FITs to submit abstracts and male FITs to submit abstracts investigating women and cardiovascular disease or topics that help women cardiologists succeed in their careers. We will be awarding cash prizes for 1st, 2nd, and 3rd best abstracts. (\$500, \$300 and \$200, respectively). Additionally, the state with the most submitted abstracts will be recognized. Deadline for submission is June 1, 2022. Submit to nmueller@cardiacmgmt.com.

We encourage you to post this registration brochure for your cardiovascular care team members and send them to this outstanding educational opportunity. Program brochures and registration information can be found on the Chapter's website: www.ilacc.org. Hotel info is on the registration form.

We have a dinner scheduled at Marchesa, on Saturday, June 25, 2022, starting at 6:45 PM. We encourage you to register early since we have limited seating at the dinner, and attendance will be limited to the first 50 registrants.

We look forward to seeing you there!
