Steps to Prepare For Your Performance Assessment

STEP 1

Log in to [CathSAP](#) via [ACC.org](#). If the dark blue CMP Hub button isn't visible in the upper-right corner of the dashboard, log out and back in, then re-enter CathSAP. Still missing? Contact ACC Member Care at 800-253-4636 or membercare@my.acc.org.

STEP 2

Complete and pass this year's CMP Practice Questions with a score of 70% or higher.

STEP 3

Perform the Performance Readiness Check **before** taking the PA. It takes just 5 minutes and helps prevent technical issues.
