

Cardiovascular Summit & Leadership Forum: Finance, Operations, Quality and Data

Wednesday, January 25

2:00 p.m. - Registration (Floridian Ballroom Foyer)

6:00 p.m.

Thursday, January 26

PRE-CONFERENCE WORKSHOPS (Choose 1 of 2)

6:00 a.m. - Registration and Continental Breakfast (Floridian Ballroom Foyer)

7:30 a.m.

7:30 a.m. - PRE-CONFERENCE WORKSHOP I: Priming Your Learning: Cardiology Business Basics (Floridian Ballroom J-L)

Dr. Casale, Ms. Biga; Ms. Gates-Striby; Ms. Jaskie; Ms. Molden and Ms. Perez

At the end of the four hours, participants will be able to identify:

- Cardiovascular Business Alphabet Soup: Acronyms and Core Concepts
- Basics of Cardiovascular Service Line Development
- Basics of Contract Negotiations
- MACRA 101: An overview of the Medicare Access And Chip Reauthorization Act

7:30 a.m. - PRE-CONFERENCE WORKSHOP II: Growing Leaders: Empowering Healthcare Professionals to Improve Our Healthcare (Floridian Ballroom A-F)

Featured Presenter: Lieutenant General Hertling

Drs. Harold, Itchhaporia, Poppas, Seals and Walpole

At the end of the four hours, participants will be able to identify:

- Basics of Leadership
- Proven Examples of Success in Healthcare Leadership Training

PRE-CONFERENCE LUNCH (Optional Non-accredited session) *There is no charge for this session but seating is limited to first come, first served.*

11:45 a.m. - Insights on Access Barriers and Overcoming Administrative Burdens for New Therapies (Hilton Bonnet Creek Ballrooms II and III)

12:45 p.m.

The overall goal of this session is to provide practical operational strategies that address pre-authorization barriers for new therapeutic agents specifically PCSK9i's ARNIs and NOACs.

As a result of participating in this session, learners should be able to —

1. Review the current barriers, as identified by ACC members, including prior authorization documentation
2. Discuss lessons learned and best practices for prior authorization
3. Identify operational support and resources needed to support prior authorization

This activity is supported by Amgen and Novartis Pharmaceuticals.

Cardiovascular Summit & Leadership Forum:

Finance, Operations, Quality and Data

Thursday, January 26

GENERAL SESSION I

11:00 a.m. - Registration (Floridian Ballroom Foyer)

Drs. Brindis and Kovacs

5:45 p.m.

Plenary Session: Dollars and Cents: The Reality of MACRA (Floridian Ballroom A-F)

Presenters: Dr. Walpole and Ms. Jaskie

Panel: Drs. Deering and Rose; and Ms. Jaskie

Moderator: Dr. Walpole

6:15 p.m.

Adjournment

6:15 p.m. –

7:15 p.m. Networking Reception with Exhibitors and Faculty (Floridian Ballroom G-I)

Cardiovascular Summit & Leadership Forum: Finance, Operations, Quality and Data

Friday, January 27

7:00 a.m. – Continental Breakfast with Exhibitors

8:00 a.m.

7:00 a.m. – Optional Breakfast Educational Symposia (*Non-accredited session*)

7:45 a.m.

- 1. Putting It All Together – How to Ensure CV Service Line Success Quickly (*Floridian Ballroom J*) (*See the Exhibitor Handout for more information.*)**

Speakers:

Carol Smith, MBA, Director, Business Development

Beverly Fuoti-Livezey, MBA, RN, AACC, Clinical Leader, Business Development

Presented by: ACC Accreditation Services

Session Overview:

Reducing clinical variation is essential to improving quality and lowering the cost of care.

Success requires a holistic approach to defining the *process of patient care*, with:

- A patient-centric multi-disciplinary team
- Consistent use of guideline-based protocols
- Actionable intelligence to improve performance

The challenge is finding the time to research, plan, and implement the top priorities that drive results. Learn how ACC Accreditation Services delivers a roadmap for improving quality outcomes and financial performance for more than 1100 hospitals worldwide. Delivered online and supported by the expertise of the ACC, we can help you achieve your CV Service Line goals.

SESSION II

8:00 a.m. Summary of Day One and Preview of Day Two (*Floridian Ballroom A-F*)
Dr. Walpole

8:15 a.m. Plenary Session: Episodes of Care: An Introduction to the New Cardiac Episodes of Care – What to Take Back When You Travel Home (*Floridian Ballroom A-F*)

Dr. Gluckman and Ms. Gates-Striby

Cardiovascular Summit & Leadership Forum: Finance, Operations, Quality and Data

3. **Business of Medicine:** Clinician Decision Support for Imaging:
The AUC Mandate – What Is It? How Do I Implement It? The Final Rule
(**Floridian Ballroom L**)
Drs. Hendel and Spertus
4. **Quality & Efficiency:** Data Transparency in Service to Cost Reduction: A Case Based Discussion (**Indian River & Hamilton**)
Dr. Duffy and Ms. Tooley

12:45 p.m. - **Lunch with Exhibitors (Floridian Ballroom G-I)**
1:40 p.m.

12:45 p.m. - **Optional Industry Lunch Symposia (Non-accredited sessions)**
1:40 p.m.

1. **Pritikin Intensive Cardiac Rehab (ICR): Your Key to Delivering Comprehensive Care (Indian River & Hamilton)** (*See the Exhibitor Handout for more information.*)

Presented by: Pritikin

Session Overview:

The Pritikin Program has been taught for over 40 years at the Pritikin Longevity Center. With more than 100 peer-reviewed, published scientific studies backing its efficacy, the Pritikin Program is approved for reimbursement under the Intensive Cardiac Rehab (ICR) CMS benefit class.

With twice the number of Medicare-covered sessions as CR (72 instead of 36), Pritikin offers a unique lifestyle education program which includes medically-supervised exercise, nutrition education, cooking, and behavioral skills. Please join us for lunch, and learn about the science behind the Pritikin Program and the process of becoming licensed to deliver the Pritikin ICR program at your facility.

2. **Learn How Cath Labs Are Learning to Save Millions (Flagler & Gilchrest)** (*See the Exhibitor Handout for more information.*)

Speakers:

Ryan Graver, President, MedAxiom Ventures
Denise Brown, Vice President, MedAxiom Consulting
Gary Clifton, Vice President, Terumo Business Edge

Presented by: Terumo Business Edge /MedAxiom

Session Overview:

This session will discuss how cath lab programs across the country are optimizing performance to meet the growing challenges of managing costs and profitability. In an era of declining reimbursement and with the expansion of bundled payments on the horizon, reducing costs, improving operational efficiencies, and leveraging ways to further improve patient satisfaction are keys to improving profitability, irrespective of whether programs are preparing for a CMS bundle or even pursuing a private payer value strategy. MedAxiom and Terumo have identified an average of \$1Million

Cardiovascular Summit & Leadership Forum: Finance, Operations, Quality and Data

opportunity through Cath Lab operational efficiencies; developing a more consistent and predictable model of care delivery while improving clinical quality and outcomes is positioning programs as we accelerate our move toward value based care.

3. **Ornish Lifestyle Medicine: A Potent Alternative to Reversing Heart Disease While Increasing Service Line Revenue (*Floridian Ballroom J*)** *(See the Exhibitor Handout for more information.)*

Speaker:

Dr. Giovanni Campanile, Medical Director of Ornish Lifestyle Medicine and Director of Integrative Nutrition and Integrative Cardiology at Atlantic Health System – Chambers Center for Well Being

Presented by: Healthways

Session Overview:

Learn how to position your organization as a leader in the transition to value-based care with [Ornish Lifestyle Medicine](#) – the only program scientifically proven to reverse the progression of heart disease.

Reimbursed by Medicare and many major insurance companies, Ornish Lifestyle Medicine is the leading Intensive Cardiac Rehab Program in the country. By helping participants make sustainable lifestyle changes, the program delivers superior clinical outcomes, reduced readmissions, increased revenue, and lower long-term costs.

Join us to hear from an Ornish provider site on how the program generates clinical, financial, and operational value, and how it transforms thousands of lives nationwide.
